Concepts

“An artist is an explorer.”

Henri Matisse

SJS Art & Design Concepts

Concept 1:

Formal elements – the basic building blocks artists use - line, tone/value, shape, colour, form, pattern and texture.

Concept 2:

Technique and media – the methods and materials used by artists.

Concept 3:

Individual expression – unique creativity shaped by personal experiences, emotions and culture.

Concept 4:

Art history – art from different times and places.

Concept 5:

Diversity – including many viewpoints and experiences, celebrating differences.

Concept 6:

Evaluation – judging the value of artwork, how it looks, what it means, and its importance.
