

Characteristics of Linguists

“Knowledge of languages is the doorway to wisdom.”

Roger Bacon

At Stocksbridge Junior School, we are linguists!

At Stocksbridge Junior School, our teaching of Languages focuses on French. We offer our pupils the opportunity to engage in a broad curriculum that will stimulate and inspire them through a variety of topics and themes. Our teaching of French will lay the foundations for our pupils to further their knowledge beyond Key Stage 2 or learn further foreign languages through the linguistic skills they acquire.

As linguists, we have...

- The confidence to speak with good intonation and pronunciation.
- Fluency in reading.
- Fluency and imagination in writing.
- A strong awareness of the culture of the countries where the language is spoken.
- A passion for languages and a commitment to the subject.
- The ability to use language creatively and spontaneously.
- An independence in their studies and the ability to draw upon a wide range of resources.

At Stocksbridge Junior School, every child is a linguist!
